

Online Radio & Electronics Course

Course Evaluation

<http://www.radioelectronicschool.com>

Version 1.2

Please use this form to provide feedback about the Online Course to the facilitators. Your feedback is very important and all returned evaluations are distributed confidentially to all facilitators. This information can help us improve the course delivery, methods used, and content. This evaluation is welcomed from any person who has done a portion or the entire course.

You are invited to return this form anonymously if you choose. The evaluation questions can be answered in electronic form and e-mailed to adam@radioelectronicschool.com or posted to: Course Evaluation – 9 Idaho Place Oxenford QLD. 4210. **All questions are optional.**

Name: (optional). Date:
E-mail: (optional)

1. How did you do the Online Course? (e.g. with a facilitator, self study etc)
2. Approximately when did you participate in the Online Course?

Course Material

3. How did you find the content and presentation of the course material?
4. Do you have any thoughts on how the course material could be improved
5. Would you like to see any specific material added or existing material expanded?
6. Did you have any problems with the format of the course material?
7. Did you use additional reference sources during the course?

Facilitator

9. Generally, how did you find working with your facilitator?
10. Was you facilitator supportive and encouraging?
11. Did you find that **you** were able to communicate your learning needs to your facilitator?
12. How did you find **your** facilitators communication with you?
(e.g. Where your needs met? Was you facilitator helpful, approachable, responsive?)
13. Do you have any suggestions on how the student/facilitator arrangement could be improved?
14. Did you complete the course and did you pass your Radio Amateur Theory Exam?
15. Are you interested in continuing your education in Radio & Electronics

General comments (Please add any comments on any aspect of the course)

Thank you for you feedback. Please email or print and post this evaluation to the address above.
